Description

The Battle Oxygen Lip Protection System has been designed and developed by athletic, dental and medical experts to deliver superior airflow.

It delivers more oxygen to the muscles for faster recovery, to increase performance for clearer thinking and faster reaction times.

184% better airflow vs. the competitors mouthguard - The Oxygen's patented design leverages SCUBA breathing innovations and high quality materials to provide a nearly 300% larger breathing hole.

- Works with braces
- Does Not Require boiling
- More Oxygen Available to the Muscles

- Body Recovers Faster
- Increased Performance
- More Oxygen Available to the Brain
- Clearer Thought
- Better Decision Making
