Description

**XFAST Ankle Support System (each), Black
Large - Mens (10 - 11.5) Womens (12 - 14)**

STAY ON THE FIELD

DON'T LET THE TOP SPORTS-RELATED INJURY SIDELINE YOU

Protect yourself with the ONLY patent pending over-the-heel ankle support system that provides FUNCTIONAL STABILITY. The XFAST allows the athlete to achieve superior performance without restriction. It does so by allowing full active range of motion with a dynamic support system that engages when the ankle is at its highest risk of injury.

A nationally accredited 3D biomechanical laboratory compared Battle XFast against taping and other bracing systems and found that XFast provides...

- Greater Range of Motion
 - Improved Reaction Time
 - Improved Propulsion (Explosiveness)
 - Improved Burst in Cut Performance
 - Reduced Risk of Knee Injury Through Reduction in Transfer of Force
 - More Efficient Movements
 - Greatly Improved Balance
-
- Perfect for Football, Lacrosse, Rugby, Baseball and more.

For women ordering the XFAST, consider 2 sizes smaller than the men's size.

Units sold individually

PRODUCT COMPARISONS	Improved Performance	Continually Adjustable	Speed And Convenience	Range Of Motion	Comfortable Fit And Feel	Functional Support
